

THE VOICE BUSINESS
SPEAK WITH CONFIDENCE

Executive Presentation Skills (PRS)

Great for executives...who have to present with confidence.

Purpose:

This is a course of intensive one-on-one private coaching for executives who want to improve or upgrade their presentation skills. There is an in-depth analysis of the executive's strengths and weaknesses as well as his/her corporate and personal presentation needs and goals. Appropriate solutions are introduced and practiced in a step-by-step fashion, carefully building up the repertoire of tools and skills required to present with flair and confidence. This method suits those who wish to polish their skills in privacy before launching forth again into the corporate arena. In-house Group Training is also offered.

Highly recommended.
