

THE VOICE BUSINESS
SPEAK WITH CONFIDENCE

Personal Voice Coaching (VPL)

Great for anyone who has ever wanted to improve their voice and would feel more comfortable having a longer course of lesson supervision and practise.

Purpose:

This course is designed to give you a total understanding of how your own voice works and how to use it properly - whenever and wherever you are - such as presenting to a group, talking on the telephone, or when speaking to a business associate, stranger or a friend. At the start of the course, the strengths and weaknesses in your voice will be identified. Immediately, a tailor-made program will be implemented, designed to address your specific vocal problems and goals. This course comes highly recommended.
