

THE VOICE BUSINESS
SPEAK WITH CONFIDENCE

Voice Skills for Virtual Presenters (VVP)

Great for people who have to present virtually

Great for presenters... who have to rely on their voice to get their message across.

Purpose:

This course is designed to give you a total understanding of how your own voice works and how to use it properly - whenever and wherever you are - such as conducting a lesson or information session via digital media such as webcast or podcast. At the start of the course, you'll get to identify what type of voice you have and how to use your strengths and reduce your weaknesses. You'll learn Total Voice Control – including proper breathing, diction, vocal variety and projection- making what you say much more powerful, persuasive and interesting. You'll learn how to use language appropriate to your audience and not get caught out saying the wrong thing. This course comes highly recommended.

© Voice Business 2019

What you will learn:

- How to improve the sound of your voice and speak confidently.
- How to sound convincing, authoritative and persuasive.
- How to project your voice in all sorts of situations and control your pitch.
- How to match your tone with other people and masterfully lead them into listening to what you've got to say.
- Breathing techniques to help you keep cool when the pressure "hots up".
- Learn how to speed up or slow down, and how to use inflections and pauses to make what you say more interesting.
- How to clean up your diction and pronunciation.
- How to develop your vocal intelligence.
- How to deliver a clear message and get the results you want.
- How to look after your voice so it lasts the distance.
