

THE VOICE BUSINESS
SPEAK WITH CONFIDENCE

Presentation Tools (PRO)

Learn how to design and run great presentations

Purpose:

Learn how to use the latest and greatest presentation software such as Prezi(TM) and PowToons(TM) plus find out how to stop giving Powerpoint(TM)...less presentations. In this course you'll have fun discovering how to use the power of imagery and simplicity to get your message across. Visual presentations should enhance you vocal delivery, not replace it.

We will also introduce you to presentation things you can do on and with your Ipad and iphone that will surprise you!

And...how about having your own personal portable cameraman in a Swivl(TM) device! Come and find out how you can build, edit and upload your presentations and tutorials to the cloud and distribute them worldwide.

In-house Group Training is also offered.
