SPEAK WITH CONFIDENCE

Voice Coaching for Actors (VCA)

Speak well on TV, Film or Stage

Purpose:

These sessions are designed to give new and experienced actors personalised and specialised help with their voice.

You might be developing an accent for a role; or need to sustain your voice for a long theatre engagement. Perhaps you find yourself performing in challenging venues or in new and different media. It could be that you are required to do voiceover or presenter work on Radio, TV or YouTube and want to know how to sound good. Or you might want to learn great voice techniques from our professionals who have trained with the best voice teachers in the world. Royal Shakespeare Company anyone?

Whatever your vocal needs as an actor, we can help.
