SPEAK WITH CONFIDENCE

Speaking Skills for Sports Stars (VSS)

Fitness training for your voice

Purpose:

This course is designed to give you a total understanding of how your own voice works and how to use it properly - whenever and wherever you are - such as leading an energetic class, presenting to a group, talking to the media, or when speaking to a business sponsor, stranger or a friend. At the start of the course or workshop, the strengths and weaknesses in your voice will be identified. Immediately, a tailor-made program will be implemented, designed to address your specific vocal problems and goals. This course comes highly recommended.
